Sam Lenet, Abrar Faruque, Brenda Soljic

Answer the six questions below and provide concise answers in a list format (Example below).

Data set: <https://www.kaggle.com/datasets/eshummalik/grand-data-auto-vicecity>

Who owns the dataset?

The data set was created by “Missions to Madness — Vice City in Data”

Who collected the data?

The data was collected by Grand City Games

What variables are you considering for the figures?

- A box plot to show the effort put into writing a review and if the review was positive or not
- A box plot to show relation between the date comment was made and when the review was written
- Histogram showing the age of a review
- Scatterplot of how old the comment was made and the length of review

How have you used (or plan to use) the data beyond this project?

We do not plan to use this dataset beyond this project.

Could a report using this data be made publicly available in November 2024?

Yes, data set falls under CC0: Public Domain “You can copy, modify, distribute and perform the work, even for commercial purposes, all without asking permission.”

Do you have the authority to make the data publicly available?

Yes, data set falls under CC0: Public Domain “You can copy, modify, distribute and perform the work, even for commercial purposes, all without asking permission.”
